APRIL-MAY, 2018

NEW LIFE BEHAVIOR INTERNATIONAL SEMINAR HELD 18TH-19TH MAY, 2018 AT DORRIS-CHAD BIBLE COLLEGE'S CAMPUS.

The above seminar was a huge success. The seminar was hosted by Dorris-Chad Bible College, coordinated by Friday Adima and sponsored by my personal supports. No support came in for that purpose as requested but it was very vital to host it. It was one of the requirements of our ministerial students for graduation.

The seminar added weight to our WBS program work.

It was well attended. The participants were certificated and materials/CDs were given as planned. We thank God for the founder and the funders of New Life Behavior International materials.

To crown it all, the seminar was blessed with four(4) baptisms. One of the baptisms is a Muslim.

See pictures for more details:

SCHOOLS' SCHOLARSHIP FUND ?

It is used for the following, if provided:

1. To pay teachers' monthly salaries(about \$650 monthly bill at the present).
2. To provide the children with tuition fees..
3. To run the schools administratively.
4. To provide the schools with the required academic infrastructures and facilities like classrooms, laboratories, maintenance of school bus, borehole for water supply and sports facilities, etc.
